Arran

Ultimate style and comfort, designed for simplicity and ease.

The Arran is a contemporary task chair providing the perfect blend of style, ergonomic comfort and functionality. Designed with a fresh aesthetic, elegant mesh back and a range of advanced ergonomic features, the Arran is an excellent choice to suit any modern office environment.

- Featuring a mesh back for enhanced comfort, allowing increased airflow and prevention of body heat and moisture build up, keeping you cool as you work!
- The anatomically shaped backrest with lumbar support and height adjustable arms provides maximum support to the back and shoulders, relieves fatigue for your spine and eases pressure on the neck to encourage a good posture for longer periods of sitting.
- Designed for comfort and flexibility with a sliding seat to independently adjust the seat depth to suit the user. The gas seat height adjustment can be set to achieve the users optimum seat height.
- There is also a lockable backrest feature and four tilt positions with anti-kick device, all to help maintain a healthy posture and safely provide maximum support.

Colour Options:

The Arran task chair is available with a black or white frame
